Decision:

- Based on a review of the project described in the attached categorical exclusion documentation and Kemmerer Field Office staff recommendations, it is my decision to implement this action. I have determined that the project is in conformance with the Approved Kemmerer Resource Management Plan/ Record of Decision (RMP/ROD), as approved on May 24, 2010 and amended by the Approved Resource Management Plan Amendments (ARMPA) for the Rocky Mountain Region, approved 9/22/2015 (BLM 2015). The Proposed Action is in conformance with the RMP as amended.

Project authorization is subject to mitigation measures identified below:

- **Crucial Big Game winter range November 15 through April 30**
- **Greater Sage-grouse nesting/early brood rearing habitat March 15 through July 15.**

Administrative Remedies:

Any person adversely affected by this decision may appeal it to the Interior Board of Land Appeals (IBLA), Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4. If an appeal is taken, a notice of appeal must be filed in this office within 30 days of this decision for transmittal to the Board.

In addition, within thirty (30) days of receipt of this decision you have the right to file a petition for a stay together with your appeal in accordance with the regulations at 43 CFR 4.21. Except as otherwise provided by law or other pertinent regulation, a petition for a stay of decision pending appeal shall show sufficient justification based on the following standards:

1. The relative harm to the parties if the stay is granted or denied;
2. The likelihood of the appellant's success on the merits;
3. The likelihood of immediate and irreparable harm if the stay is not granted; and,
4. Whether the public interest favors granting the stay.
